

CART SELECTION & SERVICE:

All carts are provided and owned by the Township and are specifically designed for the mechanized system. Carts remain permanently at the residence.

Place carts at the curb the night before collection. Place carts two feet apart at the curb and at least two feet away from mailboxes and other obstacles. Point the lid arrows on the cart toward the street. Carts should be removed by the end of the collection day.

Rates are formulated by base rate + cart price or base rate + backyard service.

CHOOSING THE RIGHT CARTS:

GARBAGE, **RECYCLING**, and **YARD WASTE** cart selection

GRAY-TOP Garbage Cart:

All trash should be bagged before placement in the cart and must fit within the cart with the lid closed.
